

PRAYER AROUND THE CROSS

Semester 1 - 2017

Drawing inspiration from the prayers and music of the Taizé Community in France, *Prayer Around The Cross* this year will continue a Pilgrimage in our South Coast area. A key element of Taizé songs and prayer is that it is ecumenical Christian prayer, a prayer for which Christians of all traditions are given an opportunity to gather together in the spirit of the Risen Lord....to offer a quiet atmosphere for prayer and reflection.
